

can be charged to the borrower's account, and in no event will the Government pay them. However, if costs are legally chargeable to the borrower, they may be paid as provided in this subpart, and charged to an account set up for the officials or other persons found responsible for them.

(8) *Bill of sale or transfer of title.* If a purchaser requests a written conveyance of repossessed property sold by FmHA or its successor agency under Public Law 103-354 at public or private sale, the County Supervisor will execute and deliver to the purchaser Form FmHA or its successor agency under Public Law 103-354 455-12, "Bill of Sale 'C' (Sale Through Government as Liquidating Agent)," or other necessary instruments to convey all the rights, title, and interests of the borrower and FmHA or its successor agency under Public Law 103-354. A State supplement will be issued as necessary for conveying title to motor vehicles and boats.

(d) *Risk of injury.* If a farmer program loan borrower has abandoned security and the security is in danger of being substantially harmed or damaged, the County Supervisor will attempt to repossess the security as explained in paragraph (a) of this section. Then the County Supervisor will send the borrower and all cosigners on the note attachments 1, 3 and 4 of exhibit A of subpart S of part 1951 of this chapter. The security will be cared for as explained in paragraph (b) of this section until all appeal rights have been given and any appeal has been concluded. When the appeal process is concluded, the security will be returned to the borrower or sold in accordance with paragraph (c) of this section, depending on the outcome of any appeal. The County Supervisor will document the abandonment and the danger of substantial damage in the borrower's case file. In the case of livestock, abandonment occurs if a borrower stops caring for the animals, as determined by the County Supervisor. However, an independent third party (not an FmHA or its successor agency under Public Law 103-354 employee) must determine that livestock is in danger of substantial damage. Protective advances may be

made in accordance with § 1962.40(e) of this subpart.
